YOUNKER REHABILITATION

PLEASE JOIN US

You are cordially invited to attend the unveiling of the EksoGT robotic exoskeleton for Younker Rehabilitation.

The EksoGT is the first robotic exoskeleton to be granted clearance for rehabilitation purposes for use with stroke patients and with spinal cord injury patients.

This gift is made possible thanks to generous support from the Fraternal Order of Eagles - Iowa State Aerie & Auxiliary and SoldierStrong.

FRIDAY, JULY 27, 2018

10:30 a.m. Remarks

11 a.m. Younker Rehabilitation Tours

Education and Research Center
Kelley Conference Room
Iowa Methodist Medical Center Campus
1415 Woodland Avenue, Des Moines

Parking is available in the parking ramp on the west edge of the campus. Take elevators in SE corner of the parking ramp to ground (G) level.

If you have questions or would like more information, please contact Caleb Hegna, Director of Development at (515) 241-5938 or caleb.hegna@unitypoint.org.
