## Leader of the Pack

Hey to all you Biker and Beach Babes!! WOW!!!! It's hard to believe we're almost into the 7th month of the year! Membership is going great, thanks to all your hard work! We have received another email from GMP Katie Ziebol. She says she can always count on the Iowa girls. We have 19 more sisters than we did at this time last year and we are at 43% of our yearly quota. That's AWESOME!!! Katie says keep stirring them in and have a happy fall.

We now have 6 members in the WIN Club and a couple more are very close. Way to go girls!!!

No matter what Sidewinder says, it's time to put the bikes and scooters away for the winter. I say that after we got VERY COLD coming back from Red Oak's State Charity night a few weeks ago. But, just because our bikes are put away till spring is no reason to slow down on

bringing in those new and reenrolled members in. We may just have to use another means of transportation.

For those of you who missed Eastern Zone in Waterloo, we had a great weekend. We had some good informative meetings and some fun with the guys on John's membership team. They may be a bit ahead of us, but we both have a ways to go yet. We also have till March to plot against them

I am so happy every time I look at the numbers coming in on the mms. Keep up the good work and we will reach MSP Shelley's goal! Hope to see you all at State Boards in January. We will have our 2nd pool drawing that weekend.

Wishing you a great thanksgiving and a wonderful Christmas season from the entire membership team

Leader of the Pack, Debbie

# State Charity

This is a busy month had a good time in Shenandoah on Friday then we went to Red Oak on Saturday, both clubs did a great job with their charity nights. We weren't able to make it to Glenwood for breakfast as Doug was having some health issues.

This weekend we head to Dubuque on Friday, then to Maquoketa on Saturday then on to Asbury for breakfast on Sunday morning, then we will be heading to Tama for the naming of the second chair at the DRC in Verna Funke's memory.

Then we head to Oskaloosa on the 23rd, hope to see everyone along the way. We need to make a lot more money for Paws & Effect, it is such a worthy cause. So please try and make it to these nights. We need every ones help to make this charity a success, so please dig deep and come help us make lots of money for the kids. Thanks go out to everyone who has been to the charity nights so far, we couldn't do it without you. Hope to see you along the Eagle Trail.

We hope everyone had a great Thanksgiving.

# Eagle Riders

Hello Riders and ALL of Iowa. I hope that Thanksgiving wasn't too rough on you. I think this time of year tastes great. I want you all to know that I'm proud of what the Iowa Eagle Riders have done this year. You keep riding and raising money for all the charities that come your way. That's outstanding and keeps up the good work. The Mid winter Board Meeting is coming up January 11 in Des Moines and that's when we decide on where the next State Rally is going to be held. Come to the meeting and let's see where we will be riding this year. We will also decide what our State Raffle items will be. Last year we raised a lot of money for Make A Wish, so let's see

what we can do this coming year. I have talked with the people at American Income Life Insurance Company and they are raising our coverage to \$3,000.00 effective now. So if you are an active Eagle Rider here in Iowa, you are covered for Accidental Death and Dismemberment. Before I forget, Christmas is right around the corner and most riders like Leather, Chrome, the rumble of the exhaust pipes and the wind in their hair. So if you have to make out a Christmas list for another rider, I hope this helps. Have a happy and safe holiday season.

Iowa Eagle Riders  
State Coordinator  
Dennis Walkup

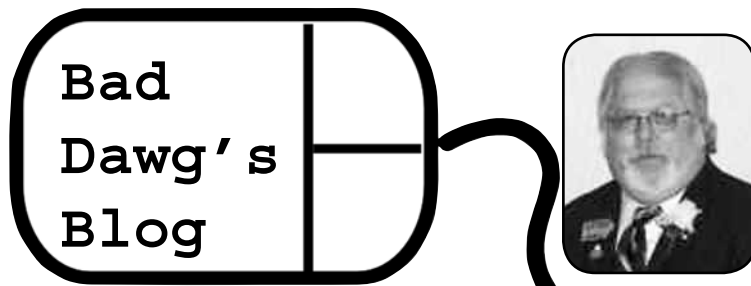

## Card of Thanks

Sisters,

My sincere thanks for all the cards I have received from my Iowa Sisters. I am grateful to be an Iowa Eagle from Red Oak auxiliary #2715. I miss you all.

PMP Dixie Fox

Hey Brothers and Sisters

We have our long stretch out of the way. Had a great time at Shenandoah, they had a great turn out and made lots of money. They had good food, a great room and cool basket. Thank you Woody for the Tin Man Bird Feeder.

Then we went to Red Oak, thanks for all the anniversary cards and birthday cards for Sherrill. It was once again a great night and once again lots of good food, awesome room and basket. Of course don't forget Nellie's shorts, they are finally retired. You never know what Nellie, Jo Jo and Sabrina are going to do next.

Then we went to Glenwood for breakfast. What a feast they put on. It was really great. Once again what an awesome job.

Then to Des Moines. Thanks to Bob Beal and his wife Cheryl for my special basket of Coors Lite. Job well done Love ya all. Had another fun night of raffles, auction and good food. It's nice having different food along the Eagle Trail. Those Eagle friends can sure cook.

Then on to Dubuque where they had a great steak or chicken dinner. Had fun with Mike while he did Karaoke. Got very nice room and basket.

Then on to Maquoketa. They had a great silent auction and dinner. They made lots of money for Paws & Effect.

Everyone is doing such a great job. I also want to thank Doug & Eva Knepp State Charity Chairman.

They have worked their tails off Thank You.

Then on to Asbury for breakfast what a great meal. They always put on a great feast and thank you for the room and basket.

Guys we need you to keep working on signing those members and re enrolled ones. We have 504 members. Our membership team and members are doing a great job. Please try and keep your club from getting a goose egg. Out of 39 clubs 23 had goose eggs, that need some work.

Happy Holidays from the Kipp Family  
State President John Kipp

# Scooter's Flip Flops

Hello All You Flip Floppers!  
 Yes, we are flip floppers because you have done an awesome job signing up those members who have dropped.

We signed up 13 in October giving us 57 for the year! Way to go! I know the holidays are upon us and will all be busy, but don't forget to carry a registration form (application) with you so you can sign a member at any time. As you all know, the Memorial Fund is one of the best benefits we offer our members so sell it to a prospective member who could benefit from the fund someday. Looking for a Christmas gift? How about a membership in the greatest organization that we belong to? Til next month – keep flip flopping and have a Great Thanksgiving from our house to yours!

Cindy Balsanek  
 aka "Scooter"  
 Re-enrollment Chairman

## Shouts from the Sidewinder

As of the end of October, the Aerie is setting at 504 new and reenrolled members. You're doing good guys. Keep up the good work! John and I would like to reach our goal to grand of 1,954 members. We had a good start for the first half. Keep up the good work. We have been giving out a lot of prizes and I am looking forward to handing out a lot more at the next zone. Hope you have a good Thanksgiving and a Happy Holiday season.

Rusty "Sidewinder" Clark

## Wild Thoughts...

November disappeared so fast, I don't know where it went! I do know we had a Great Thanksgiving with our family, and hope that you did too! Now here we are, getting ready for Christmas and before we know it, this year will be over!! Where does the time go?

I can't begin to thank everyone for the hospitality that has been shown to Steve and I, as we make our way across our Great State. I have always said that Iowa holds second to none when it comes to making visitors feel at home. I do

appreciate all of the efforts from the Aeries and Auxiliaries that held State Charity Fundraisers in November....you raised lots of money for our cause. It's nice to see the Team Work shown during these events. Everyone needs to remember there is no 'I' in team work.

There was a good attendance in Tama for the day Verna Funke was honored. There were several State Officers and Past State Presidents from Iowa there. Verna touched many people during her life. I am proud to have known her. I learned a lot from her. She is missed by all that knew her.

Last month we were at 43% of our membership goal for the year!!! That is awesome and I thank everyone for signing members! With Christmas just around the corner, why not gift someone a new membership to your Auxiliary! We can always use more volunteers! New ideas come along with new members, we all need fresh minds!! I know that there is a bet with the Aerie, but whether we win or not, the important thing is we have fun!! Both membership teams are showing us that we can do that and meet our goals.

In closing, Steve and I along with Ellie and Sadie, wish you the Merriest Christmas ever and a Happy New Year!! Keep Safe!

MSP Shelley Zimmerman

## Low Reed Spinal Cord Injury Fund

The Low Reed Spinal Cord Injury Fund was created in 2001 at the International Convention in Louisville, Ky. to provide grants to groups aiding citizens crippled by spinal cord injuries. This fund assists organizations across the United States and Canada with money for research, technology development and patient care in an effort to improve the quality of life for the millions of people living with the results of spinal cord injury and disease and their families.

WCRP Cindy Balsanek has appointed me to be the West Central Regional Chairman. I would like very much to know how your Auxiliary (and Aerie) chooses to raise money for this worthy cause. I am asking that the Local Charity Chairmen send me information. Please send the date, the type of event and the amount of monies raised.

You can email me or send me a brief note. Or perhaps the Auxiliary Secretary can send me a note or email.

**Thank you for keeping me up to date....**

PS If you do not have a special event, but choose to send a donation from your Auxiliary, please send me the amount you plan to send.

## Knuckleheads Notes

Hi all my Eagle sisters and brothers!

Well the turkey has all been eaten, and we've all gained a pound or two. Now it's time to get ready for Santa. I just hope that you don't get too busy to send in your reports to me.

I want to wish you all a very Merry Christmas and a happy, happy New Year. Hope that you all get what you wish for and Santa is really good to you.

Won't be long until we will be back out there surfing and playing in the beach again.

Love to all,  
Knuckle Head
